**USING VISUALS IN PARTNERSHIP WITH  
FAMILIES TO SUPPORT CHILDREN'S  
SOCIAL AND EMOTIONAL COMPETENCE  
ACROSS SETTINGS**

# HOME-SCHOOL PARTNERSHIPS

- “Families play an important role in helping their child be successful. Whether they are providing a safe home that encourages learning and appropriate behavior, or working with the school on specific learning goals for their child, it is important for parents to support their child’s education. When schools and parents work together as partners, students reach a higher level of achievement and school success.”

(Pacer Center, 2015)
